'Evolution'

Thursday 5th to Tuesday 10th December 2013 at The Wilson Art Gallery, Cheltenham.

Following on from a catwalk show by Cheltenham Fashion Week, Evolution is an exciting exhibition showcasing Gloucestershire's finest young fashion talents with work coming from Primary Schools to University level.

Storyboards of the students' work explain the journey from start to finished garment with the creations displayed on manikins and suspended hangers. Fashion students will also exhibit their photography work alongside the collection enabling the public to view the stunning clothes through another form of art.

Cheltenham Fashion Weeks 'Cinderella' Shoe will be part of the exhibition. The shoe is a massive 8 ft, which is covered with thousands of bottle tops and beads, which was created by artist Jane Baker.

This exhibition would not be possible without:

Jane Baker and Oliver Davis
www.cotswoldweddings.net who have generously donated their time to organise 'Evolution', Rachel Johnson and the fashion students at Gloucestershire College, The Wilson and financial support from Cheltenham Borough Council's Community Pride fund.
